

HUSQVARNA LC 253S

Self-propelled and easy-to-use, high-quality lawnmower suitable for medium-sized gardens. Durable, corrosion-resistant composite chassis and plastic wheels for reducing weight. Powerful and reliable engine for increased performance and less maintenance. Husqvarna LC 253S features ergonomic and easy foldable handlebar, convenient bail removal and easy-adjust cutting height makes every mow simpler. Collect blade leaves less clippings on the lawn for a tidy, professional look.

Easy grip for lifting in the frontEasy grip for lifting into storage, the car or carrying up stairs.

Easy adjustable handleQuick and easy adjustment of the handle in two different heights.

Ergonomic handle Ergonomic angle of the handle in combination with easy to reach bail arms makes operation easy.

Easy central cutting height adjustment

A well balanced one hand grip makes adjustment of cutting height extra easy and convenient.

FEATURES

- Ergonomic handle
- Easy adjustable handle

- Easy grip for lifting in the front
- Easy central cutting height adjustment
