

Husqvarna S 138i with battery and charger

A light-weight battery-powered, cordless scarifier with a 2-in-1 function and easy blade shift. The easily adjusted working depth, together with a powerful engine, efficiently remove matted thatch and moss from the lawn. 38 cm working width and dual battery slots for extended runtime. The compact design and foldable handle make it easy to transport and store.

Easy foldable handle bar

Easily fold the handle to minimize space required for storing and transportation.

Ergonomic handle bar

Ergonomic angle of the handlebar in combination with easy to reach bail arms makes operation easy.

Intuitive keypad

The key pad is very easy to operate. All information you need in one place

Central working height adjustment

Quick and easy adjustment of the working height. One lever controls the whole deck.

FEATURES

- Intuitive key pad for easy operation
- Ergonomic handle bar
- Easily foldable handle bar to facilitate transport and storage
- Central working height adjustment
- Choose savE™ mode for maximum runtime
- 2-in-1 switch between moss rake and scarifier
- Dust blocker bag
- This product does not emit CO₂ emissions during use.

Technical Specifications
